

***CUSTOM NAME ORDER FORM PROGRAM***  
***For Heart Pendants, Personalized Bracelets, Chokers &***  
***Anklet/Bracelets***

Our custom name program is simple, clean and effective for both the retail customer and your store! The customer may purchase any name they want and have it hand-painted for that special someone with the unusual name!

Here is how our new program works:

- **The wholesale account purchases the order form cards in advance from Montana Artistic Impressions, Inc.**
- **The retail customer purchases the card from the wholesale account for full retail price (same as the individual name products).**
- **The retail customer fills out the order form and sends a check for \$4.00 shipping and handling to Montana Artistic Impressions.**
- **Montana Artistic Impressions hand paints the custom name and mails it directly to the retail customer!**
- **Duplicates or custom name requests not on an official form will not be processed.**
- **Each order form is printed on paper with a special watermark on the back to prevent duplication.**

**Remember, only one personalized product per order form!**

This program is extremely easy for your clerks to handle. Once the customer purchases the order form, then it is their responsibility to do all the necessary paper work and mail it in. If you have any questions at all about how this program works, please feel free to call us!
